Mr.  
Andrew Oliver

Dresden, 07.01.2010

**TO WHOM IT MAY CONCERN**

Andrew Oliver was contracted for our restaurants "Ayers Rock" and "Brauhaus am Waldschlösschen" in Dresden, for more than six years. He has been performing five nights per week as a pianist and vocalist with the biggest flexibility and professionalism. Andrew is very reliable any time.

We could not have picked a better entertainer for our restaurants, all guests have thoroughly enjoyed Andrews style of music, which has brought guests back into the restaurants to enjoy the ambience, which he creates. Everyone loves his voice and the variety of his huge repertoire.

It's been a pleasure working with Andrew and we wish him well in the future, thank him for his high level of professionalism and in saying this we would be happy to recommend Andrew for any challenge he may wish to take on.

We were very happy all the time with the jobs Andrew did and would welcome him back to our restaurants in the future.

Sincerely,
